# Northern Territory Government

## Senior Policy Officer

- **Department of Land Resource Management**
- **Senior Administrative Officer 1, remuneration package \$121,452 - \$135,505**
- **Vacancy Ongoing, Location: Darwin**

An exciting opportunity is now available for an experienced motivated, enthusiastic and highly organised Senior Policy Officer to join the Department of Land Resource Management Water Resources Division.

Development of North Australia depends on access to water that is reliable and ecologically sustainable. Land and water assessments provide high quality land and water suitability information and mapping essential for underpinning successful agricultural developments. The Department of Land Resource Management plays a critical role in supporting and facilitating economic development across the Northern Territory.

### The successful applicant will:

- have extensive experience in water policy planning
- contribute to the development of contemporary policy positions on a range of water issues facing the Department and the Northern Territory
- undertake and lead research and critically assesses information, legislation, policy and initiatives used in other jurisdictions and assess the applicability of these aspects for the Northern Territory.

Applications should address the Selection Criteria. Please refer to the contact details below for a copy of the Selection Criteria and Job Description.
